

EMPLOYMENT OPPORTUNITY

CIVIL ENGINEERING TECHNICIAN

McMAHON has an immediate opening for a Civil Engineering Technician in their Neenah, Wisconsin office. Duties include assisting with construction administration of Wisconsin Department of Transportation (WDOT) projects during summer months and design of WDOT and municipal projects during winter months.

Minimum qualifications include a Bachelor of Science or Associate Degree in Civil Engineering, or related field, and one to five years of relevant experience. Ideal candidate will have experience with municipal sewer and water design and/or construction along with Civil3D design capability. Familiarity with WDOT procedures and specifications is a plus. We are looking for an individual that is self-motivated and possesses strong communication skills.
