Week of July 23 - 27

Advance Construction replaced water services and installed storm sewer main north of Capitol Drive. They also installed the storm sewer outlet into the Grand Chute – Center drain.

Relyco Construction excavated and rough graded the Bentwood Estates detention basins.

Installing Storm Sewer Main
North of Amberwood Lane

Looking Ahead: Schedule for Week of July 29 - Aug. 3

Advance Construction is scheduled to continue installing storm sewer from just north of Amberwood Lane to Capitol Drive.

Sommers Construction is scheduled to construct the concrete ditch liners in the Bentwood Estates detention basins.

Future Schedule:

Advance Construction is scheduled to continue storm sewer installation between Amberwood Lane and Capitol Drive.

Relyco is scheduled to begin earthwork fill construction just north of Victory Lane.

Rough Graded Detention Basin at
Amberwood Lane and Casaloma Drive

NOTES TO RESIDENTS

Casaloma Drive will be closed to through traffic but will remain open to local traffic. We advise avoiding the work area as much as possible. The temporary access road from Cobble Creek Drive is open.
