## Week of Sept. 17-21

Advance Construction replaced hydrant and valve items on the East side of Casaloma Drive between Northland Avenue and Victory Lane. They also started to install storm sewer mainline as well as laterals on Amberwood Lane. At the end of the week, one crew started to work on placing aggregate base for the concrete liners in the Bentwood Basins.

Relyco excavated and placed aggregate base for the Victory Lane roundabout on the East side of Casaloma Drive at the Victory Lane roundabout as well as start work on grading for aggregate base between Capitol Drive and Victory Lane.

KS Energy relocated gas main at the Capitol Drive intersection.

Sommers Construction placed curb and gutter on the East side of the SE corner of Victory Lane and Casaloma Drive as well as setup for curb and gutter placement between Prairie Song and Amberwood Lane.

Amberwood Lane storm sewer construction between Casaloma Drive and Amberwood Lane

### NOTES TO RESIDENTS

Casaloma Drive will be closed to through traffic but will remain open to local traffic. We advise avoiding the work area as much as possible.

The temporary access road from Cobble Creek Drive is open.

## Looking Ahead: Schedule for Week of Sept. 24-28

Advance Construction is scheduled to continue to excavate and place aggregate bedding for the Bentwood Estates ditch liners along with continuing the installation of the Amberwood Lane storm sewer. Digging out the locations for the headwalls is also scheduled this week at the large culvert crossings.

Relyco is scheduled to continue grading and placing aggregate base on Casaloma Drive between Capitol Drive and Victory Lane.

Sommers Construction is scheduled to construct the curb and gutter and concrete driveways between Prairie Song and Amberwood Lane.

MCC is scheduled to work on fine grading and placing lower layer of asphalt on the South East corner of Victory Lane roundabout.

## Future Schedule:

Advance Construction is scheduled to continue storm sewer installation on Amberwood Lane.

Relyco is scheduled to continue excavating and placing aggregate base course.

Once a sufficient amount of roadway is graded and graveled, Sommers Construction will place curb and gutter.

Victory Lane roundabout construction work will continue.
