Week of Sept. 24-28

Advance Construction installed storm sewer on Amberwood Lane and in the Victory Lane roundabout. They also excavated for the concrete headwall at the large cross culverts between Victory Lane and Capitol Drive.

Relyco excavated and placed aggregate base for the Victory Lane roundabout and just south of Capitol Drive.

Sommers Construction placed curb and gutter and constructed driveways between Amberwood Lane and Prairie Song Lane.

Placing Base Course in Victory Lane Roundabout

NOTES TO RESIDENTS

Casaloma Drive will be closed to through traffic but will remain open to local traffic. We advise avoiding the work area as much as possible.

The temporary access road from Cobble Creek Drive is open.

Completed Street Base and Curb & Gutter Looking North From Amberwood

Looking Ahead: Schedule for Week of Oct. 1-5

Advance Construction is scheduled to continue with Amberwood Lane storm sewer installation.

Relyco is scheduled to continue grading and placing aggregate base between Capitol Drive and Victory Lane.

Sommers Construction is scheduled to construct the curb and gutter and concrete driveways between Capitol Drive and Amberwood Lane and the Bentwood Estates detention basins ditch liners.

The Victory Lane roundabout is scheduled to start Stage 4 on Monday. This will include working on the north half of the intersection.

Future Schedule:

Advance Construction is scheduled to continue storm sewer installation on Amberwood Lane.

Relyco is scheduled to continue excavating and placing aggregate base course.

Once a sufficient amount of roadway is graded and graveled, Sommers Construction will place curb and gutter. After appropriate concrete curing time, Relyco will backfill the curb and sidewalk.

MCC will fine grade and place asphalt binder course.

Victory Lane roundabout construction work will continue.
