

WISCONSIN LAND SURVEYOR

McMAHON is seeking a highly motivated individual for a Land Surveyor position in our Neenah, WI office. This position will incorporate a blend of field and office responsibilities including topographic, control, boundary, laser scanning and construction surveying. PLS licensure required with at least two years of experience.

Field responsibilities include:

The use of GPS units and robotic total station. Laser scanning, field to finish and AutoCAD Civil 3D experience is a plus. Project may require travel with some overnight stays. Applicants must have an established history of working safely in the field. Physical requirements include walking over rough terrain and lifting up to 50 lbs., have a valid Wisconsin driver's license and driving record to meet company insurance standards.

Office responsibilities include:

Knowledge of AutoCAD software, researching land records and preparing survey drawings. Civil 3D drafting and the ability to post process point cloud data a plus.

Furnish letter of interest, resume and references in confidence to:

McMahon Associates, Inc.
