Week of August 17 - 21

Superior Sewer & Water completed storm sewer construction for Evergreen Drive west of Gillett Street. The contractor relocated to the east side of Gillett Street to begin underground utility work.

Highway Landscapers was not on site much of the week and only returned Friday to begin work on the headwall for the box culverts.

Looking Ahead: Schedule for Week of August 24 - 28

Superior will continue with utility work on Evergreen Drive east of Gillett Street. Highway Landscapers will continue work on the headwall for the box culverts. Michels Corporation will be back on-site mid-week for more earthwork and road base grading.

NOTES TO PUBLIC

There continues to be heavy construction traffic crossing Gillett Street between the two sites. Residents should use caution when traveling through the area.
