

CAREER OPPORTUNITY

SENIOR CIVIL ENGINEER

McMahon Associates, Inc. (McMAHON), a full-service, professional engineering and architectural firm, has an immediate opening for a Senior Civil Engineer in their Neenah, Wisconsin office.

Bachelor of Science or Master's Degree in Civil Engineering, specializing in municipal infrastructure, design/construction, project management and technical specification writing. The ideal candidate would have 10 (or more) years of municipal/civil engineering experience. Candidate should have project manager experience working directly with clients and managing contracts and budgets. We are looking for an individual that is self-motivated, has the ability to work independently and possess strong communication skills. Advancement opportunities are available.

McMAHON has provided professional engineering and architectural services to our valued customers for more than a century. Our team of over 150 professionals serve our clients from our corporate headquarters in Neenah, Wisconsin along with our Illinois and Indiana regional offices. We share the common goal of delivering our services 'The McMAHON Way', meaning we strive to build long-term client relationships by combining strong core values with a culture for success.
