Week of April 19 - 23

Michels Corp. completed the westbound lane of Grand Chute Blvd. then pulled off-site for the week. Superior Sewer & Water completed punch list items east of Gillett St. before completing the storm sewer for the north parking lot at the Town Hall. Highway Landscapers completed the retaining wall at the southwest corner of the Town Hall and restored the existing terrace below the wall. Sommers Construction slip-lined the curb and gutter for Evergreen Dr. east of Gillett St.

Looking Ahead to Next Week:

Michels Corp. will return to complete the sub-grade and stone base for the new north parking lot at the Town Hall. Superior Sewer & Water will finish the storm sewer for Grand Chute Blvd. before pulling off site. Highway Landscapers is scheduled to install the railing for the box culverts east of Gillett St.

NOTES TO PUBLIC

The public still has full access to the Town Hall and to Town Center Park. Traffic control devices are in place to guide two-way traffic through the work zone. The trail through the work zone is closed, and pedestrians should use alternate routes.
