## Week of May 17 - 21

Northeast Asphalt paved the north parking lot of the Town Hall and placed the lower asphalt layer on Grand Chute Blvd. Century Fence sprayed the paint striping for the parking stalls. Michels Corp. spread and graded topsoil over the terrace area east of Gillett St.

## Looking Ahead to Next Week:

Michels Corp. will begin demolition of the existing south parking lot at the Town Hall. All employee and public parking for the Town Hall should utilize the new north parking lot.

### NOTES TO PUBLIC

The public still has full access to the Town Hall and to Town Center Park. Traffic control devices are in place to guide two-way traffic through the work zone. The trail through the work zone is closed, and pedestrians should use alternate routes. Evergreen Dr. east of Gillett St., although paved, is still closed to the public.
