Project Update

Town of Grand Chute
Evergreen Drive
(Town Lakes Avenue to Orion Lane)

NOTE TO INTERESTED PARTIES:

Additional Project information at www.mcmgrp.com under Resources\In Construction\Evergreen Drive or you can click on the bulldozer icon on the right side of the page and select the Evergreen Drive project. You can also get project Tweets by following <https://twitter.com/McMEvergreenDr>

Week of May 31 - June 4

Michels Corp. completed demolition and sub-grade excavation for Evergreen Dr. up to existing Grand Chute Blvd. The contractor placed a lift of 3" dense aggregate over the completed areas. Electrical Synergies completed the light pole bases for the north parking lot. KS Energy Services installed electrical conduit for the street lighting between the railroad tracks and Gillett St.

Looking Ahead to Next Week:

Michels Corp. will continue with Evergreen Dr. construction to the project limits. Superior Sewer & Water will return to complete the remaining storm sewer and a sanitary sewer run for this project.

NOTES TO PUBLIC

The public still has full access to the Town Hall and to Town Center Park. Traffic control devices are in place to guide two-way traffic through the work zone.

The trail through the work zone is closed, and pedestrians should use alternate routes.

Evergreen Dr. east of Gillett St., although paved, is still closed to the public.
