## Week of June 14 - 18

Michels Corp. completed the west bound lane of Evergreen Dr. up to the west project limits and placed a layer of the stone for the road base then pulled off site. Superior Sewer & Water completed storm sewer construction for the Town Hall south parking lot and for the remainder of Evergreen Dr. then pulled off site. Highway Landscapers completed terrace restoration east of Gillett St. with grass seed and mulch. Highway Landscapers also reset the Town Hall sign at the new main entrance to the parking lots.

## Looking Ahead to Next Week:

Next week no contractors are scheduled to be on site.

**NOTES TO PUBLIC**

The public still has full access to the Town Hall and to Town Center Park. Traffic control devices are in place to guide two-way traffic through the work zone.

The trail through the work zone is closed, and pedestrians should use alternate routes.

Evergreen Dr. east of Gillett St., although paved, is still closed to the public.
