Project Update

Village of Belgium - 2022 Storm Sewer & Street Reconstruction

NOTE TO INTERESTED PARTIES:

Additional Project information at www.mcmgrp.com under RESOURCES\In Construction...select the Belgium-2022 Storm Sewer & Street Reconstruction project. You can also get project Tweets by following <https://twitter.com/McMBelgium>

Week of Nov. 7 - 11

Landscaping and Backfill crews have been finishing up the final items on the project and it is nearing completion. The temporary mailboxes have been removed, Street signs and beam guards have been replaced and the road has opened to local traffic. A few miscellaneous items will be addressed in the week ahead and the project will be completed.

Looking Ahead to Next Week:

Restored areas will be dormant seeded, applied fertilizer and mulched for the winter. Vegetation will be assessed in the Spring and areas of concern will be addressed. The remaining list of items will be addressed, and the project will be completed.

NOTES TO PUBLIC

The roadways have been paved and the project is near the end. Please travel with care around any remaining workers on site. Parking is now acceptable on the project streets. Please contact McMahon with any concerns or special needs within the project area.
