Project Update

Forest County Potawatomi Blackwell - CTH H Watermain Extension

NOTE TO INTERESTED PARTIES:

Additional Project information at www.mcmgrp.com under RESOURCES\In Construction...select the **FCPC Blackwell - CTH 'H' Watermain Extension** project. You can also get project Tweets by following <https://twitter.com/McMFCPWatermain>

Week of June 5

PTS Contractors has completed the watermain installation. The watermain has been loaded and water service has been transferred to residents along the route. Site restoration and cleanup continue. A majority of the equipment and materials will be removed from the project site.

Future Schedule:

Site restoration that has not already been completed will continue next week. Roadway restoration is planned to be completed within the next week or two which should signify the completion of the project.

**NOTE TO
PUBLIC**

Roads will remain open to traffic; however, traffic control, signage and equipment will be present throughout the project. With the added trench crossing at the north end of the project, please use extra caution while traveling through the site.

Contact McMahan or PTS Contractors with any concerns or special needs within the project area.
