### Week of June 12

Site restoration has been completed. Most of the equipment and materials have been removed from the project.

### Future Schedule:

Roadway restoration is planned to be completed the week of June 26<sup>th</sup> which should signify the completion of the project.

### NOTE TO PUBLIC

Roads will remain open to traffic; however, traffic control and signage will remain throughout the project until pavement restoration is completed, so use caution while traveling through the site. Contact McMahan or PTS Contractors with any concerns or special needs within the project area.
