Town of Lawrence 2023 Sanitary Sewer & Watermain Construction

NOTE TO INTERESTED PARTIES: Additional Project information at www.mcmgrp.com under RESOURCES\ In Construction...select the **Town of Lawrence Sanitary Sewer & Watermain** project.

Week of January 8 - 12

Sanitary sewer and water main continue to be installed along Little Rapids Road between French Road and Mid Valley Drive. Progress has slowed this week due to the weather conditions.

Future Schedule:

Construction will remain on Little Rapids Road near the I-41 overpass. Next week's planned schedule is to work Monday through Thursday (cold weather pending). It is anticipated that the sanitary sewer and water main will be installed simultaneously so the roadway can reopen sooner.

NOTES TO PUBLIC

Little Rapids Road is closed from French Road to Mid Valley Drive. The closure is tentatively anticipated to last through February 2nd (see detour route). Police have been present in the area issuing citations to those who dismiss the traffic control. NOTE: citations are double in a construction zone.
