# Weekly Project Update

## Town of Lawrence 2023 Sanitary Sewer & Watermain Construction

**NOTE TO INTERESTED PARTIES:** Additional Project information at [www.mcmgrp.com](http://www.mcmgrp.com) under RESOURCES\ In Construction...select the **Town of Lawrence Sanitary Sewer & Watermain** project.

### Week of February 19 - 23

Construction activities have now branched into two crews (one heading north and the other going south) along Mid Valley Drive. Both crews continue to install both the sanitary sewer and water main. Little Rapids Road was opened up to through traffic, however Mid Valley Drive will remain closed.

### Future Schedule:

Both crews will continue to progress in their own direction along Mid Valley Drive. As the crews continue to move away from Little Rapids Road, Mid Valley Drive will be opened to traffic (single lane).

**NOTES TO PUBLIC**

Little Rapids Road and French Road are now open to through traffic. **Note:** the roadway is currently only gravel. Paving will not take place until later in the project. Police have been present in the area issuing citations to those who dismiss the traffic control.

**NOTE:** citations are double in a construction zone.
