# Weekly Project Update

## Town of Lawrence 2023 Sanitary Sewer & Watermain Construction

**NOTE TO INTERESTED PARTIES:** Additional Project information at [www.mcmgrp.com](http://www.mcmgrp.com) under RESOURCES\ In Construction...select the **Town of Lawrence Sanitary Sewer & Watermain** project.

### Week of April 8 - 12

Work continued moving south on Mid Valley Drive installing both sanitary sewer and water main. Construction is nearing completion to the south.

The crew on Packerland Drive completed installing sanitary sewer to the north.

### Future Schedule:

Sewer and water are planned to be completed south along Mid Valley Drive with restoration following shortly behind so they can complete work in the area prior to moving back to the north side of Little Rapids Road.

The Packerland Drive crew will begin installing water main starting at Scheuring Road.

#### NOTES TO PUBLIC

Little Rapids Road and French Road are open to through traffic, while Mid Valley Drive remains closed to through traffic.

**Note:** Little Rapids Road is only gravel at this time. Paving will not take place until later in the project. Packerland Drive is to remain open to traffic during construction activities.

Police have been present in the area issuing citations to those who dismiss the traffic control.  
**NOTE:** citations are double in a construction zone.
