Project Overview

Town of Neenah - Larsen Rd (Clayton Ave - CTH CB) Road Reconstruction

NOTE TO INTERESTED PARTIES: Additional Project information at <https://mcmgrp.com/in-construction/> ...
select the **Town of Neenah - Larson Road Reconstruction** project.

Looking Ahead: Description and Upcoming Schedule of Work

Town of Neenah will be reconstructing Larsen Road between County CB roundabout and Clayton during the 2025 construction season. The project includes installing new storm sewer, reconstructing the roadway, widening the shoulders, new traffic signals at the Rocket Way intersection, installing a trail on the south side of Larsen Road and excavating new swales on the north side of Larsen Road. Prior to road reconstruction, utility companies will relocate some of their facilities to accommodate the new road, shoulders and trail. You will begin to see utility construction activity beginning in mid-March. The road will remain open during this time, but there may be times that one lane is closed with flagging operations to direct traffic.

Road reconstruction is scheduled to begin approximately the first week of May. Sections of Larsen Road will be closed to thru-traffic during the road reconstruction project. Larsen Road is scheduled to be reopened approximately Sept. 2, 2025.

Project Overview Plan

Work will be starting on the Town of Neenah Larsen Road Reconstruction project!

A WEBPAGE has been created to keep you up-to-date on what is happening on this project and includes weekly updates, project contacts and access to informational documents. You can access the page at <https://mcmgrp.com/in-construction/town-of-neenah-larsen-road-reconstruction/>
