Project Update

Village of Belgium - 2026 Utility & Street Reconstruction Project

NOTE TO INTERESTED PARTIES: Additional Project information can be found at www.mcmgrp.com under **RESOURCES\In Construction** ...select the **Village of Belgium-2026 Utility & Street Reconstruction** project.

Week of July 27 - 31

The focus this week has mainly been with the installation of watermain on West Lane. Sanitary sewer main construction was also resumed on Antoine Drive.

Homeowner's kind gesture for construction workers did not go unnoticed!

Looking Ahead to Next Week:

Vinton's plan is to finish with the installation of the sanitary sewer main and the watermain on Antoine Drive.

Future Schedule:

Once the sewer and water mains are completed on Antoine Drive, work will begin with installing sewer laterals and water services on West Lane.

NOTES TO PUBLIC

Please drive with caution in construction areas. Contact the McMahon on-site representative or Vinton Construction with any concerns or special needs within the project area. Please be mindful of all workers in the construction zones. Thank you for your cooperation and patience.
